# “ABOUT ABHILASHI GROUP OF INSTITUTIONS”

Abhilashi Group of Institutions, Ner Chowk, Distt. Mandi H.P., Managing Abhilashi Educational Society and Genius Educational Society is the top private technological institution in the state of Himachal Pradesh. The great visionary late Sh. Tulsi Ram Abhilashi was its founder. Abhilashi Group of Institutions is located at Ner Chowk, Tehsil Balh, Distt. Mandi H.P. of Himachal Pradesh and offers graduate and post graduates programme like Pharmacy, Education, Management, Science etc.

Later Dr. R. K. Abhilashi, who took over the chairmanship in the year 2001, realized the need for providing top class education facility to greater number of promising students in Science & Technology and other various professional courses, and under his patronage, Abhilashi Group of Institutions started expanding by establishing new campuses viz. T.R. Abhilashi Memorial Institute of Engineering & Technology, Abhilashi College of Pharmacy both at Tanda, P.O. Balt, Distt. Mandi Himachal Pradesh, Abhilashi College of Education, Abhilashi P.G. Institute of Sciences both at Ner Chowk, Tehsil Balh, Distt. Mandi H.P. and Abhilashi University at Chail Chowk, Tehsi Chachyot, Distt. Mandi H.P. as its latest venture.

Abhilashi Group of Institutions is ranked No. 1 educational group among the private educational institutions in Himachal Pradesh by various media houses.

Abhilashi Group of Institutions has been providing the best ever facilities to its students in all its campuses like well developed infrastructure, modern library and labs, cafeteria, medical services, hostels, comfortable buses etc.

# Managing Director's Message

Adhering strictly to our motto “Join us to beat the crowd” and following the footprints of our patron Late Sh. Tulshi Ram Abhilashi ji, we, at Abhilashi Group of Institutions, believe that a great responsibility is vested on us as educators of the modern world. Ever since the inception of the group, we have been striving hard to comprehend the broad significance of education while designing our mode of instruction.

We mentor our students to sharpen their intelligence and enable them to accomplish their aspirations. Simultaneously, we install in them a positive value system that shapes their attitude, outlook and conduct that provides a strong foundation for them to tackle the challenge of life.

We procure the support of a strong team of faculty members, who whole heartedly put their efforts to motivate our students and guide them to progress at every step. In a conducive learning environment at our serene campus, we nurture champions, who, with intellectual brilliance and ethical excellence, emerge out as leaders with a difference.

With profound gratitude to God and sincere acknowledgement to all our well wishers, we are marching ahead, exploring further opportunities for our students to learn and grow. It is with immense pleasure that I welcome you to the portal of this academic milieu to have a unique educational experience.

Dr. Lalit Kumar Abhilashi  
Managing Director  
Abhilashi Group of Institution

## Secretary's Message

As all of us are aware, Abhilashi Group of Institutions at Ner Chowk, Tehsil Balh, Distt. Mandi is an illustrious institution that has positively shaped the lives of those that entered its portals. It is a fountainhead of support to many an underprivileged student who is in need of education and moral help, as much as it is a perennial spring of learning for other students.

Narender Kumar  
Secretary  
Abhilashi Group of Institutions

# Principal's Message

The concept of Engineering has existed since ancient time as human devised fundamental inventions. Inventions are consistent with modern definitions of engineering exploring basic mechanical principle to develop useful tools and objects. Engineering is the discipline, art and profession of acquiring and applying technical, sensitive materials, structure, machines, devices and processes that safely realize a desired objective or invention.

Engineering education must evolve to keep pace with mighty charges occurring today in business, industry and society. Engineers must attribute and knowledge beyond traditional constraints of the classroom. Engineering education must accommodate current trends and future needs. We must enhance the flexibility of curricula. Our goal is to articulate the role of engineering education in the early part of the 21st century and to establish design specification that will enable our college to be a leader in shaping the future of engineering education. As such we have an obligation to address the full range of higher education namely teaching and learning, research and service to the community. Indeed these three elements must totally integrate if we are to be efficient in the pursuit of our mission.

Team work and partnerships is another major element in our design of engineering education. The team we organise is a partnership of scientists, engineers, and business people and society leaders. It is through these partnerships that the rapid pace and technology and increasing complexity of technology designed to serve society will flourish.

## My message for the students who join TRAMIET is:-

- Be flexible in the face of rapid changes in the society & technology.
- Embrace and encourage creative problem solving.
- Facilitate the ability to integrate complex systems and technology.
- Seek partnerships with a variety of engineering and science discipline, with business, with leaders in education, with government and greater community.

I extend a very warm welcome to all the students who wish to join **TRAMIET** from forthcoming academic session. I assure all you will be fully equipped with state of art theoretical knowledge, innovative and creative practical skills and entrepreneurial attitude to achieve a brilliant success in life.

I wish grand success to all you and your endeavour of higher technical educational at **TRAMIET**.

## VISION OF DEPARTMENT

To build a rich intellectual potential embedded with interdisciplinary knowledge, human values and professional ethics among the youth, aspirant of becoming engineers and technologists, so that they contribute to society and create a niche for a successful career.

## MISSION OF DEPARTMENT

To become a leading and unique institution of higher learning, offering state-of-the-art education, research and training in engineering and technology to students who are able and eager to become change agents for the industrial and economic progress of the nation. To nurture and sustain an academic ambience conducive to the development and growth of committed professionals for sustainable development of the nation and to accomplish its integration into the global economy.

## MATHEMATICS

The Department of mathematics aims at enabling students to find useful solution to the problem advanced learning in science and technology.

## ENGLISH

The special emphasis of the department of English is on enabling students to communicate in English and developing communication skills. Each and every effort of the department is that the students get the feel of the native speaker pronunciation and can get the exposure to numerous exercises on grammar, vocabulary and pronunciation-practice. In this direction we are going to install the digital multimedia language lab.

## PHYSICS

Physics lab is equipped with Desauty Bridge, He-Ne Laser, Photocell, Newton ring Apparatus, CRO, Optical Fiber, Four probe method, Hall effect, Helical method, B-H curve, Sextant, planks constant, polarimeter and various optical and electrical instruments for proper functioning of the laboratories.

## CHEMISTRY

The Department of chemistry is equipped with advanced instrument which are well maintained and updated regularly. It is equipped with distillation plant, digital conductivity meter, PH meter, spectrometer, Apparatus for volumetric filtration, Digital weighing balance, Analytic balance. Pinsky-marten flash point apparatus, Redwood viscometer, Heating mantle, Magnetic stirrer, Hot air oven, thermostatic and surgical water bath, Chemical and Glass apparatus etc.

## VISION OF DEPARTMENT

To be a centre of excellence for promoting education training and research in the field of Electrical Engineering.

## MISSION OF DEPARTMENT

- To offer continuing education and training programs for the faculty and staff of the technical education system in the area of Electrical Engineering.
- To develop need based curriculum for technical education programmer in the field of Electrical Engineering.
- To develop instructional material in the field of Electrical Engineering to enhance effectiveness of teachers learning process.
- To undertake research and development in the area of Electrical Engineering.
- To provide extension and consultancy services to technical education system and industry in the area of Electrical Engineering.

## ABOUT THE DEPARTMENT

- Education is all about creating an environment of academic freedom, where bright minds meet, discover and learn. Electrical Engineering is a continuously evolving field with new innovative ideas emerging every other second. As technology has advanced, so have the challenges faced by the fresh engineers and technocrats.
- Electrical Engineering is one discipline that naturally partners with other disciplines to open whole lot of new engineering avenues. Examples include Power Electronics with Power and Electronics Engineering and Bio-medical Sciences with Medicine. It is one of the major departments, created since, the establishment of the institute.
- The department is working with NPTEL, NITTTR and other institute of national importance for trainings to provide exposure to students.

# Principal's Message

Dear Students

Welcome to Abhilashi College of Education, an institute of academic excellence and achievement, was established in 2003. It is amongst one of the finest colleges of the Himachal Pradesh University, Shimla. I welcome you to the noble teaching profession and to this pioneer institution.

Here at Abhilashi College of Education, we impart an all round education so that our students may become multidimensional rather than uni dimensional. In my view acquiring information is no longer the main focus of education, instead the main aim of education is to built the powers of human mind and spirit. We believe in providing our students an environment, rich in knowledge and supportive for their extracurricular interests. We aim to evaluate our students on the basis of their physical, mental, social, emotional and intellectual development. I am sure that all of you will shape into well versed nation builders, able to nurture the young minds. All odds, all challenges and all handicaps of life can be overcome with strong determination, persistent hard work, insurmountable patience and unshakable tenacity." My best wishes to the new students entering Abhilashi College of Education.

Dr. Narbada Devi  
Principal  
Abhilashi College of Education

“**ABHILASHI COLLEGE OF EDUCATION**”  
Accredited by NAAC with “A” Grade

In the year 2003, Abhilashi Educational Society established Abhilashi College of Education by taking a broader step towards Teacher Training Course (B.Ed.) after successfully completing the formalities of HP Govt., NCTE and HPU, Shimla and thus Abhilashi College of Education came into existence. It started with an annual intake of 100 seats which was later increased to 200 seats in the session 2007-08. Also in 2007 Abhilashi Educational Society started JBT Course (Abhilashi JBT Training Institute) which is now known as D.El.Ed. course with an intake of 50 seats.

Currently however, B.Ed. course has been made of two years duration with an annual intake of 150 seats for three basic units.

Abhilashi College of Education is located adjacent to NH-21 near Lal Bahadur Shastri Medical College & Hospital at Ner-Chowk in Distt. Mandi. From Mandi, it is at a distance of 14 kms and is well connected with transport facilities from all corner of the state throughout 24 hours a days. In the year 2017 the college is accredited with "A" grade by National Assessment and Accreditation Council for its quality education and best infrastructure. Abhilashi College of Education is the first B.Ed. College in the state in private sector which is accredited with "A" grade by NAAC.

### Vision of the College:-

In accordance with the philosophy of "Sadguru Baba Hardev Singh Ji Maharaj and Sadguru Mata Savinder Hardev ji," the Endeavour of the college is:-

- To prepare and develop competent, innovative and farsighted teachers who can meet the requirements of global competitive world and contribute to academic excellence.
- To provide value based curriculum and dynamic academic environment for strengthening faith in humanistic, social and moral values as well as in Indian cultural heritage and democracy.
- To create facilities for imparting quality education and grow into a centre of excellence in the field of teacher education.

### Mission of the College:-

To imbibe in our prospective teachers, 4D's i.e. Dedication, Diligence, sense of Discrimination and Dignity of teaching profession through the development of;

- Head, Heart and Hand (3H's).
- Ability, Aptitude and Achievement (3A's).
- Communication Skills, Character and Computer Awareness (3C's).

## “ Admission Criteria for admission in B. Ed and D.El.Ed. Courses ”

As there are 150 seats in B.Ed. course and 50 seats in D.El.Ed. course, the admissions are made on the basis of merit in entrance examination/qualifying examinations. 85% seats in the B.Ed. course are reserved for Bonafied/Domicile Himachali candidates and 15% seats are reserved for the students of other states. Total management seats are 10% of the seats for Himachali Bonafied candidates. Out of 50 seats in D.El.Ed. course, 25 seats are filled up through subsidized category and 25 seats are filled up under Non- Subsidized category. Out of 50 seats, 10% seats are filled through Management Quota.

### **Bachelor of Education (B. Ed.):**

Admission schedule for B.Ed. course is as per decided and finalized by H.P. University, Shimla respectively. The candidates with at least 50% marks either in the Bachelor's Degree (Medical/Non-Medical /Commerce/Arts) and or in the Master's Degree in Sciences/Social Sciences/Humanity, Bachelor's in Engineering or Technology with specialization in Science and Mathematics with 55% marks or any other qualification equivalent thereto and 45% marks in case of SC/ST/OBC/Physically handicapped categories in the aforesaid Bachelor's/Master's Degree and 50% marks for Bachelor's in Engineering or Technology from a recognized University established by law in India are eligible for admission to the programme.

### **Diploma in Elementary Education (D. El. Ed.):**

The admission to D.El.Ed. course is made by H. P. Board of School Education, Dharmshala on the basic of marks obtained in entrance test. The candidate with at least 50% marks in the higher secondary (10+2) or its equivalent examination are eligible for admission. The relaxation of 5% marks in minimum educational qualification is available to SC/ST/OBC/PHH candidates as per the rules and instructions of the State government, issued from time to time.

# Principal's Message

Dear Students,

Opportunity before us is immense and the task is onerous. Our esteemed institute Abhilashi College of Pharmacy has committed itself to play its humble role in the country's march towards prosperity and global leadership by imparting world-class education to its students in the disciplines pharmacy. Abhilashi College of Pharmacy has been giving outstanding results since its inception. Our students have got placed in different reputed pharmaceutical companies like Alembic pharmaceutical Baddi, Ratchet Pharmaceutical Baddi, Jyothy laboratories solan, Cipla Baddi etc. It is only due to the dedicated efforts of its faculty, staff, students, management and all other stakeholders. Abhilashi College of Pharmacy is an ideal institute for producing world class pharmacists.

Aspiring brilliant students are invited to the portals of this institute beyond which awaits the gateway to highly competitive, exciting and rewarding careers. I whole heartedly welcome all the aspiring and brilliant students to this Institute and wish them a highly exciting and rewarding professional career.

Dr. L. Raju  
Principal

## INTRODUCTION:

Abhilashi College of Pharmacy is approved by PCI/AICTE and H.P. Govt. This college is affiliated to H.P. Technical University, Hamirpur. It is the first to offer professional education in the field of Pharmaceutical Sciences in the Himachal Pradesh. Since 2006 the Institute has constantly worked towards raising the academic standards. In pursuit to offer the best technical infrastructure & skills to the students, the Institute has grown technically sound with state-of-art laboratories with hi-tech equipments, the best infrastructure in the region for academics and research. "Growth in every sphere of activity".

In keeping with its objective of providing the best possible pharmaceutical education, the College has built up a strong infrastructure. This comprises of highly knowledgeable faculty, most of whom hold doctorates and

facilities that enable students to gain a contemporary education. Continuous interaction with industry is maintained to ensure that the learning program remains relevant to the changing trends in pharmaceuticals. As an established and highly esteemed institute of Himachal Pradesh, Abhilashi College of Pharmacy maintains an upmost academic standard, incorporated with the conduct of discipline, thereby achieving remarkable and excellent results. We firmly believe that technical education is the key to a nation's progress. Thus, we take it as our bounded duty to provide the best academic training, a student can possibly get. The institution endeavors to comfort the students with all the necessary knowledge and skills to become truly successful in the chosen field. In whatever career a student may choose to take, hard work and discipline are the sure roads towards success. As an educational institution, we will support students in achieving those golden ambitions and also ensure that their stay in the college is meaningful.

Dr. R.K. Abhilashi, The Chairman of the Institute felt the need of training professionals in the field of pharmaceutical Sciences and his vision took the shape of ACP. In pursuit to offer the best technical infrastructure & skills to the students, the Institute has grown technically sound with state-of-art labs with hi-tech equipments, the best infrastructure in the region for academics and research.

### Bachelor of Pharmacy (No. of Seats - 100 per year)

**Eligibility Criteria:** HPCET (Conducted by HPTU, Hamirpur) 10+2 with 45% in PCB/PCM & 40% in PCB/PCM & 40% in case of reserved category. Lateral Entry: D.Pharm with 50% (General) 40% (SC/ST).

### Pharmacy Departments

#### Department of Pharmacology

The pharmacology department lays strong emphasis on research while imparting education in pharmacology, toxicology & other related subjects. A primary objective of Pharmacology is to investigate the fundamental aspects of molecular bio-regulatory mechanism of the cell and understand how drugs act in order to develop new drugs for treatment of diseases. Toxicology examines toxicity and adverse effects of developed drugs, mechanisms of chemical agents and how they produce mutagenicity, carcinogenicity, teratogenicity and neurological disorders.

#### The department has two separate laboratories:

**Pharmacology Lab I:** It is established to understand the Human Anatomy, Physiology and Pathology of diseased state with the help of charts, models including human skeleton and various types of apparatus.

**Pharmacology Lab II:** It consists of equipment to investigate the activity of various drug samples, such as Digital Balance, Rota Rod, Electro-Convulsimeter, Plethysmograph, Analgesimeter, Histamine chamber and Actophotometer.

### Department of Pharmacognosy

"Pharmacognosy is the science that deals with medicine derived from natural sources" Pharmacognosy is a specific discipline that deals with the rapid developments in the knowledge and utilization of medicinal substances of biological origin (plant, microorganism and animal products) used for human and veterinary purposes. This subject provides information about the principles and procedures used in the identification, authentication, extraction and isolation of active constituents by chromatography techniques, purification and development of herbal formulations and assay methods for the isolated constituents. Focus is also put on pharmacopoeial regulations, ICU, EU guidelines and principles of good manufacturing practices. The Pharmacognosy lab is equipped with Projection microscope, Soxhelt apparatus, Clevenger's apparatus, Stage micro-meter and oculometers, Hot air oven, together with many crude drugs, charts and models.

### Department of Pharmaceutical Chemistry:

The department of pharmaceutical chemistry is one of the central important branches of the institute. It is equipped with state of the art facilities to undertake academics in Bachelor of Pharmacy course. In the frontier area of phytochemical research, the focus will be laid on isolation, characterization and evaluation of biological activities both by in-vitro and in-vivo models. Analysis of drugs and pharmaceutical chemicals forms the backbone of research and development in pharmaceutical industry.

The department has a Pharmaceutical Chemistry Lab I (Inorganic / Organic Chemistry Lab), Pharmaceutical Chemistry Lab II (Pharmaceutical Analysis Lab), Pharmaceutical Chemistry Lab III (Medicinal Chemistry Lab) and Pharmaceutical Chemistry Lab IV (Central Instrumentation Facility).

### Central Instrumentation Room Facility:

The department focuses on training the graduate students on how to use the modern and newer instrumental analytical techniques such as HPLC, UV-Visible Spectroscopy, Fluorimetry and Flame photometry, Gas Chromatography, Binocular Microscope. Special emphasis is laid on the implementation of good laboratory practices and analytical skills. The department is actively involved in developing new analytical method and their validation, characterization and quantitative estimation of possible impurities in various dosage forms.

### Department of Pharmaceutics:

Pharmaceutics is concerned with the strategies by which biologically active compounds are presented to the body so as to elicit an optimal response. It includes the design, preparation and testing of drug delivery systems. The department has a Machine Room, Pharmaceutics Laboratory I (GP/DP Labs), Pharmaceutics Laboratory II (Unit Operation Lab), Pharmaceutics Laboratory III (Micro biology lab).

### Machine Room

The machine room is well equipped with latest machines generally encountered in Pharmaceutical Industry like Coating Pan, Ointment Filling Machine, Ampoule Filling Machine, Bottle Washing Machine, Trade Layer, Rotary Evaporator etc.

**Classrooms:** All the classrooms are spaciouly designed and we well furnished with necessary technical teaching aids like OHP, Slide Projectors, LCD Projector, Laptop and power supply.

**Seminar Hall:** The Institute passes a Seminar Hall with seating capacity of 500 people. The hall plays host to guest lectures, seminars and various presentations.

**Library:** The college library has a rich collection of printed as well as electronic resources which include:- Book including for particular topics or subjects as well as Reference books like dictionaries, encyclopedias, yearbooks, etc. National and International Journals & Magazines.

#### Database and Audiovisual Material.

**Computer Facilities:** Keeping in view the increased emphasis on technology, the Innovative College has developed computer lab with broad-band connection. The lab is equipped with sufficient number of computers with the latest configuration and software's. In addition, we also have our own internet facility through local ISP.

#### Wi-Fi facility is also available.

**Hostel:** The hostel rooms for students have provision of 24 hours power back up with wireless internet connectivity and provide a professional ambience for work. There is centrally located dining hall; the food prepared is a mixture of Indian & continental. The hostel is managed by student's body, with the help of an advisory body of the College. Besides these facilities, there is a T.V. lounge, a gymnasium and facilities for Indoor games.

**Sports facilities:** A centrally located indoor stadium is being developed to provide facilities for all indoor games, such as table tennis, badminton, carom and chess. The campus has also been facilities with a widespread outdoor area for cricket, volleyball and football.

**Canteen:** The College also possesses a neat and clean canteen in which all types of food is being served.

**Museum:** The College possesses a museum exhibiting more than 100 crude drugs, herbarium sheets, botanical specimens & charts of drugs & plants, colored slides of medicinal plants, patent medicines & containers of common usage in medicines.

#### Training and Placement Cell

The Placement Cell constantly keeps in touch with the Industry to ascertain the technology advancement and Plans well in advance for bridging any gap in addition to what students learn in their curriculum. The success of the Placement Cell is evident from our alumni occupying positions at the best opted for companies in the country. The students are provided the platform for developing interpersonal, technical and business skills, so that they

Can face the global challenges of today and the future.

#### Career in Pharmacy
