About the college

Abhilashi Group of Institutions is the biggest group of the State of Himachal Pradesh which is serving the state and country for last 14 years.

The members of management of Abhilashi Group of Institutions are true educationists and have a long experience of service in the field of education in Himachal Pradesh Government.

Abhilashi Group of Institutions, therefore, is dedicated to enrich the state and country by producing real technocrats and true professionals.

Today more than 4500 students from different parts of country are getting their education in various technical and professional courses in Abhilashi Group of Institutions. The success of students in their career is the satisfaction and final goal of Abhilashi Group of Institutions.

Objectives

- To create the awareness about the pharmacopoeial standards for herbal drugs and phytopharmaceuticals
- To develop the understanding about the Pharmacopoeial monograph for Herbal drugs and phytopharmaceuticals

Background

- The Indian Pharmacopoeial Commission publishes Indian Pharmacopoeia (IP) on regular basis.
- The current edition of IP 2018 contains Monographs of 165 Herbal Drugs/Processed Drugs (Extracts, Essential oils, Etc)/Herbal Formulations.
- There is a need to integrate IPC with research and academic and research institutions, particularly the pharmacy and other related institutions having Masters and Doctoral Degree Programs and engaged in research activities on Herbal Medicines in developing/drafting Monograph and its verification and validation.
- In order to further strengthen the standard setting process for Herbal Drugs and Phytopharmaceuticals (As per the recent amendment in Drugs & Cosmetics Act, 1940 and Rules, 1945 framed there under, the G.S.R. 918(E), there is a need to create awareness and train the Stakeholders (Academia, Industry, Regulators.)

Experts

- IPC and associated institutes
- Herbal industries
- Academic/Research Institutions

Topics

- An overview of Indian Pharmacopoeia Commission.
- Development of Monograph for Herbal drugs.
- An overview of Phytopharmaceuticals and their monograph.
- Essential Analytical Techniques in herbal drug & Phytopharmaceuticals monograph development.

Who should attend?

- Faculties from pharmacy/Research Institutions
- Scholars/Students from Pharmacy/Research Institutions
- QC analyst of manufacturing and regulatory laboratories
- R&D scientists of manufacturing & academic labs
- Regulatory affairs professionals
